

Employee Discount Program Update

To: **All Employee Discount Participants**

From: **Human Resources**

Date: **March 18, 2020**

Due to government mandates, many of our locations are only providing take out or delivery service. In order to support our valued employees, we will now honor the Employee Discount on all take out/to-go orders at all of our open restaurants until such time as we are able to resume full-service dining.

In addition, locations that were previously limited to a 25% discount (Brenner's, Mastro's, Morton's, Strip House, Willie G's Houston, and Vic & Anthony's), will now offer a 50% discount on take-out orders. Therefore, Discount Program participants may get a 50% discount at **all open restaurants** for up to 5 entrees, appetizers, sides, desserts and non-alcoholic beverages.

Remember that you must have your Aloha card or current Employee Discount Card from your most recent paycheck stub* and ID in order to receive the discount. Please note that employees who are currently on furlough can continue to use the discount even though they will not have the deduction taken during furlough. We will honor any Discount Program Card issued in the month of March regardless of expiration date.

*As a reminder, employees can access their paycheck stubs at ADP's website:

- Go to <https://my.adp.com>
- Click on Register Now
- Registration code: landrys-online
- Enter First Name, Last Name, Social Security Number and Date of Birth
- Answer the three questions to verify your identity
- Select Confirm and the system will prompt you to begin your personal set up
- If you have any difficulty, contact W2@ldry.com

We hope our valued employees can take advantage of the 50% discount on takeout orders. If we all work together and remain positive, we will make it through this difficult time.
